

## PK Staffing 2016-17

Team PK is comprised of many people to make our campus a safe and fun environment for learning. There are a few changes to the PK team and I am happy to introduce our familiar and new faces to the Dragon Family. First, Ms. Deneane Ratchford is our new Office Manager after Ms. Debbie Snook retired last June. To replace Deneane, please help me welcome Mrs. Carrie Emhof to our front office as our new Office Specialist. Last but not least, please help me welcome Ms. Liana Kuklinski to our 3<sup>rd</sup> grade team. She is joining us from Meadows to continue her craft as a 3<sup>rd</sup> grade teacher and has found her home in Room 19. For those of you wondering about Mrs. Walsh, she is still part of the MBUSD family and has joined the Kindergarten team at Meadows and we wish her the best of luck!!
